

Monday 19th October 2015

Little to no rain recorded

Rainfall recorded at South Gippsland Water's storages from the 10th to the 16th of October 2015 was Lance Creek 2mm, Ruby Creek 1mm, Coalition Creek 1mm, Deep Creek 1mm, Little Bass 1mm and Battery Creek 0mm.

Philippe du Plessis, Managing Director, South Gippsland Water said, "The region has experienced dry conditions over the past week and as a result, storages have declined. Customers are reminded to start activating water efficient practices such as watering gardens and lawns during the cool of the day. Customers should also familiarise themselves with the Permanent Water Saving Rules in place across all water supply systems. For more information, or to view these rules visit www.sgwwater.com.au".

Reservoir	Major towns supplied	Capacity level %	Comments
Lance Creek	Wonthaggi, Inverloch and Cape Paterson	95	Permanent Water Saving Measures
Ruby Creek	Leongatha & surrounds	99	Permanent Water Saving Measures
