

Monday 30th November 2015

Rain in all catchments – but little run-off received

Rainfall recorded at South Gippsland Water's storages from the 21st November to the 27th of November 2015 was Lance Creek 10mm, Ruby Creek 11mm, Coalition Creek 8mm, Deep Creek 28mm, Little Bass 5 and Battery Creek 16mm.

Rob McKaige, Acting Managing Director, South Gippsland Water said, "Despite rainfall recorded within all catchments, little run-off was generated due to the dry ground conditions and storages continued to decline. South Gippsland Water is encouraging customers to prepare now for a dry season and implement water saving behaviours".

Make sure to;

- Water during the cool - between the hours of 6pm and 10am
- Check hoses have trigger nozzles and do not leak
- Sweep, don't hose, paved areas & hard surfaces

Reservoir	Major towns supplied	Capacity level %	Comments
Lance Creek	Wonthaggi, Inverloch and Cape Paterson	87	Permanent Water Saving Measures
Ruby Creek	Leongatha & surrounds	86	Permanent Water Saving Measures
Coalition Creek	Korumburra and surrounds	78	Permanent Water Saving Measures
Foster Dam – Deep Creek	Foster area	97	Permanent Water Saving Measures
Little Bass	Poowong, Nyora & Loch	87	Permanent Water Saving Measures
Battery Creek	Fish Creek	82	Permanent Water Saving Measures

River Systems	Major Town Supplied	Current Status
Tarwin	Meeniyan, Dumbalk	Permanent Water Saving Measures
Agnes	Welshpool, Port Welshpool, Toora, Port Franklin	Permanent Water Saving Measures
Tarra	Yarram, Alberton, Port Albert	Permanent Water Saving Measures
