

Storage and Rainfall Update

Rainfall recorded at South Gippsland Water's storages from **27 March 2020 to 3 April 2020** was Lance Creek 5mm, Ruby Creek 22mm, Deep Creek 19mm and Battery Creek 19mm.

Rainfall for the month of March 2020 was recorded as Lance Creek 53mm, Ruby Creek 47mm, Deep Creek 46mm and Battery Creek 57mm.

South Gippsland Water are monitoring storage systems and river flows. Mr du Plessis, Managing Director said today that, "Our staff are continuing to focus on the delivery of water and wastewater services.

Essential planned and reactive programs and works are continuing. Additional sanitisation and social distancing precautions are in place to assist in combating the spread of coronavirus (COVID-19).

We ask that if you see South Gippsland Water staff out and about, please respect their space by staying at least 1.5 metres away so they can do their jobs safely"

South Gippsland Water are committed to maintaining our services to our customer's, thank you for your patience during this challenging time.
