

STAGE 4

“CRITICAL” WATER RESTRICTIONS

Water storage levels are **CRITICAL** as such Stage 4 Water Restrictions limit the use of water.

Below is a snap-shot of Stage 4 Water Restrictions.

For more information go to: www.sgwater.com.au

Restrictions apply to the use of mains supplied water for:

RESIDENTIAL and COMMERCIAL GARDENS and LAWNS

- All outside watering is BANNED.
No watering at any time, by any means.

PUBLIC GARDENS and LAWNS

- All outside watering is BANNED.
No watering at any time, by any means.

SPORTING GROUNDS

- All outside watering is BANNED.
No watering at any time, by any means.

PAVING, CONCRETE & OTHER HARD SURFACES

- Hosing banned except for construction purposes or in emergency; or for a health or safety hazard.

VEHICLES

- A vehicle may only be washed for health and safety reasons, in which case the windows and lights must be washed and rinsed by means of a bucket, filled directly from the tap (not by hose). Commercial car washes which use water from a source other than a restricted South Gippsland Water reticulated water system can be used.

RESIDENTIAL OR COMMERCIAL POOLS AND SPAS

- All previous exemptions are void. Pools cannot be filled, topped up or replaced without prior written approval.

EMERGENCY PROCEDURES

If it is considered by South Gippsland Water that **Stage 4** restrictions are insufficient to reduce consumption to a level adequate to meet future demands, South Gippsland Water may declare emergency measures to further restrict water consumption in the specified area.

No restrictions apply to the use of tank or grey water.
