

### Two easy options for applying for Cash Back

- 1) If you want to take up an offer featured in the brochure, simply call Emanuel Licitra from **E Licitra Plumbing on 0418 579 397**. Emanuel will help you complete the form and claim the Cash Back, all you need to do is pay the difference between the cost of purchase and installation and the total Cash Back you are eligible for. Simply sign the claim form and Emanuel will do the rest.
- 2) Or, you can arrange purchase and installation yourself. To save disappointment, call us on 1300 851 636 to check that funds are still available and your eligibility. Once the product is installed, simply fill out and sign the claim form, ensuring you complete all details for option A. Return the claim form to South Gippsland Water PO Box 102, Foster VIC 3960. Remember Rainwater tanks must be intalled by a licensed plumber and a copy of the VBA/PIC certificate supplied.

The claim form can be found at [www.sgwater.com.au/cashback](http://www.sgwater.com.au/cashback)

Don't forget to attach proof of purchase and, where applicable, your Plumbing Certificate of Compliance (PIC/VBA Certificate) provided by the plumber.

### Eligibility

Customers connected to South Gippsland Water's Little Bass Water Supply System or the Poowong, Loch and Nyora Sewerage Scheme can apply to receive Cash Back on the purchase of new water efficient fixtures and fittings.

### Timing

The Cash Back program has been extended and will be on offer 1 July 2015 – 30 June 2016, or whilst funds last.

The Living Victoria Water Rebate closed on 30 June 2015.

Full terms and conditions for the Cash Back program are also available at

## Poowong, Loch and Nyora Cash Back Program

Cash Back extended to 30 June 2016!

**Using rainwater from the roof and water efficient appliances are great ways to save our precious tap water for drinking**

South Gippsland Water is offering Cash Back on the purchase of new rainwater tanks and water efficient products or appliances for their homes. This is a pilot project being rolled out along with the Sewerage Scheme for customers in Poowong, Loch and Nyora.

The Cash Back program extends to water efficient products and appliances, such as toilets, showerheads, taps and washing machines. The more water efficient customers in these towns are, the less wastewater that is generated for South Gippsland Water to treat.
