

PRICING REVIEW

MEDIA RELEASE – MONDAY 4 JULY 2016

OUR BUSINESS IS YOUR BUSINESS

What matters to you when it comes to water? What is important when it comes to us taking care of your sewerage? Ever wanted to have a bit more of a say?

Help influence and shape the future of the South Gippsland Water by joining our Pricing Review Advisory Panel.

Be part of the Corporation's 5-yearly review of its service standards, capital and operating expenditure, and the required prices charged to customers for the delivery of water and wastewater services.

Philippe du Plessis, Managing Director said, "Every element of the business is open for discussion and examination including how the business operates, customer service standards, pricing, business strategies and major projects."

The Advisory Panel will be a significant voice in driving the Pricing Review and will meet approximately six times over the next 12 months, with members receiving a sitting fee and travel reimbursement from home or workplace for meetings attended.

South Gippsland Water is seeking feedback from individuals, groups, local businesses and industry regarding matters of significance.

"There will be a range of opportunities for customers to learn more, have a say and feed into the review process, but a key component is the formation of our advisory panel."

Expressions of interest for panel membership are open, please contact us on 1300 851 636.

If you would like to receive regular up-dates about the Pricing Review visit the projects page at www.sgwater.com.au.
