South Gippsland Water Management and Board invite you to

# Help us find the balance

You are invited to help us find the balance between customer expectations, water prices and long-term sustainability.

Community planning sessions will be held over two weekends.

- Dates:** 20th & 27th July 2019
- Time:** 10am - 3.00pm
- Location:** Leongatha
- \$100 per session:** To cover costs and in recognition of your commitment
- Registration:** Close 3 July 2019

*Timing represents maximum commitment, it is important that participants can attend both sessions.*

South Gippsland Water are preparing our pricing submission for the next three years. The Price Submission determines the services we deliver and prices we charge our customers.

*The voice of the customer is important and you are invited to assist us by attending our community planning sessions.*

Selection to participate in this community planning process will be done using random selection to deliver a cross-section of our customers. Recruitment for the sessions is being managed independently of the corporation. We encourage all ages to be involved. For further assistance please contact Deliberately Engaging on 0472 761 342.
