

## Storage and Rainfall Update

Rainfall was recorded at all but one of South Gippsland Water's storages from **27<sup>th</sup> May – 2<sup>nd</sup> June 2017**. Lance Creek 39mm, Ruby Creek 36mm, Coalition Creek 46mm, Deep Creek 51mm, Little Bass 26mm and Battery Creek 75mm.

Philippe du Plessis, Managing Director for South Gippsland Water said, "Rainfall in all catchments has led to storages levels being either maintained or slightly increased. However, until such time as storages replenish further in Korumburra, Stage 1 Water Restrictions remain in place for customers of the Coalition Creek Water Supply System".
