

Application for Septic Waste Agreement Form

The Water Act 1989 requires that all businesses who dispose of domestic septic waste must have a trade waste agreement to dispose of such waste to South Gippsland Water's treatment plants. This Application for Trade Waste Agreement must be completed by the septic waste contractor in order to obtain a Trade Waste Agreement.

Important Information

If you have any questions concerning the Trade Waste Application, please call the Trade Waste Officer at SGW on (03) 5682 0444, or facsimile (03) 5682 1199.

Trade Waste Agreements are important for managing the risks associated with the acceptance of trade wastes into SGW's treatment plants and the potential for these risks to impact on the environment, the waterways and the health and safety of people. As such it is necessary for this Application to be fully completed and signed by the septic waste contractor who is responsible for the management of trade waste discharges to the treatment plant.
